

Non-Profit

Regular meetings of an other 501(c) non-profit organization can use our facility space for a reduced rental fee. The Auditorium seats up to 200 in banquet setting. Theatre seating or classroom seating are also available and seats 110 (unless you rent additional tables). Tables and chairs are included for your event along with room design layout.

We have state of the art audio visual equipment and we provide a technician to run the system. If rehearsals are necessary, please schedule them before the event. Our technician is available 30 minutes prior to the scheduled event time and is required to stay until completion of the event.

A non-refundable \$100 deposit will be required to hold the date.

*A "free" meeting or gathering is defined as one that provides a program or education that is consistent with the exempt purpose of the organization using the facility, and nothing is gained in return.
